“ *Wanda was so very special to our Haworth Association of America. She helped plan the 300th year reunion celebration. Her knowledge of our family history was unsurpassed. We can still remember her presentation on Quaker Meeting houses, at that reunion. Wanda was indeed a special person.*

“ *God bless and keep you, Wanda. I loved discussing genealogy with you. Never a shy violet, you always spoke your mind, which was so refreshing and welcome.*

I've really missed seeing you the last few Gatherings and always hoped we'd meet again on this side, one more time. God has seen fit for that not to be but I'm sure we'll meet again, in any event.
