“ I worked with Wanda at TI and enjoyed it so much. She was like a mother to me, always asking how I was doing and knowing when I was having a bad day or time. It was such a pleasure to know her. To her children and Charles: she talked about you every day and her love for all of you radiated from her voice and face. I felt like I knew you all. I am so sorry for your great loss.

“ Your family is in our thoughts and prayers. We have known Wanda and Charles since our days at TI. We first met Wanda when she worked in the West Building at TI. She was a beautiful person inside and out. We had communicated by E-mail the last couple of years after she found out about her cancer and she was always in our prayers. I know her loved ones and friends will miss her so much, but I know Wanda loved the Lord and is with Him in a beautiful place called Heaven. God bless you Charles and children.
