“ *Wendell will be greatly missed by friends and family. Wendell was a very talented man and could do anything he set his mind to. All of us had a great time as kids in Wade We all knew that country inside and out. Swimming in Blue and Red River was a must in the summer. He drove those old Plymouth cars all over the country in and around Wade. We got trapped in Red one day on a sandbar and we were blessed to get alive. To the Family I am truly sorry for your loss and always cherish your memories.*
