

William Leroy "Bill" Burkhalter

October 14, 1948 - February 25, 2022

William Leroy "Bill" Burkhalter was born in Durant, Oklahoma on the 14th of October 1948. He lost his hard-fought battle with cancer on the 25th of February 2022 at his home in Durant, Oklahoma. He was the eldest of the five children of Cochran L Roy and Imateen Benedict Burkhalter.

He graduated from Borger High School as a part of the class of 1967. He served his country during the Vietnam War as a member of the U.S. Navy from 1969-1973. During his service, he had his son, Michael Kelly Burkhalter. After returning home he worked as an engineer at Texas Instruments while attending Southeastern Oklahoma State University. He earned his bachelor's degree in Education in 1978 and began his career as a public school history teacher and athletic coach. Coach Burk, as his students knew him, taught all aspects of history and government as well as coached football, basketball, tennis, and track. It was during this time he met his wife of 28 years, Cindy Lee Gateley. A few years later they welcomed their daughter, Amy Leigh Burkhalter, into the family. In 2006, after 17 years of service, he retired from Hugo Public Schools. A lifelong lover of music, he wrote over 300 songs and spent most of his time in his music room. He taught himself how to play the guitar, piano, drums, and any other instrument you set in front of him. He also would often be found at the local golf course or fishing out by his pond.

He is preceded in death by his father, Cochran L Roy Burkhalter, his mother, Imateen Benedict Burkhalter, and sister, Rebecca Ann Burkhalter.
