“ *Marty, Steve, and Mark -
I wouldn't know where to start in my memories of Dub because he's been a part of my life as far back as I can remember. There's a Valentine's story, a Taco King story, a Mexico story, a New Mexico story and many, many more. I'll never forget his smile and the twinkle in his eyes. Love to you all, Cheryl Peters Phelps*

“ *Dub was a great man to know and I really enjoyed working with him when he was the longtime Chairman of the Durant Airport Advisory Committee. He was always supportive of others and genuinely cared about people and making Durant a better place to live. I will always remember fondly those years that we worked together.*

“ *Marty and the Manahan Family,
So sorry to hear of your loss. Dub was a wonderful person, so full of
life and he always greeted all with that special smile. We know he is
being embraced by the Lord and we are sure NB and Mayme are
also there to embrace him. We know NB said, "Hope you brought
your golf clubs. The golf is awesome!!". You and your family will be
in our thoughts and prayers.*
