“ *Many memories so long ago. Uncle William gave me my first airplane ride. Better yet, he gave me the wheel. I was so excited and he had the biggest smile on his face. I must have been 8, (1970ish).*

“ I have some wonderful memories of William, especially at Mama and Daddy Holders. I can see him under the big tree at the side of the house telling stories and relaxing after a big lunch. I miss him as will we all.
